## EXECUTIVE INSTRUCTION NO. 23 (revised 06-21-07)

SUBJECT: Prohibiting smoking on City Property

Smoking of any tobacco product is hereby banned on City property owned or leased by the City and real property upon which City operations are conducted or that is occupied by City employees in their normal duties. City property includes but is not limited to all buildings of any type, parking structures and parking lots and all other structures and the grounds and unenclosed space located on City Property. Excluded from this Executive Instruction are the grounds and unenclosed space on City golf courses, streets and right-of-ways that may be used by motorized vehicles and the sidewalks contiguous to such streets and right-of-ways, provided that there shall be no smoking within a reasonable distance of bus stops.

This smoking ban applies to all persons. The City shall make every effort to provide information concerning smoking cessation programs for City of Albuquerque employees and members of the community.
